#### E. Firing Committee Report - Jay

1. Don't use glaze as glue
2. Remove glaze from bottoms
3. Don't put wet greenware on the on the greenware shelves. You must allow your pieces to dry elsewhere. If you're not sure how dry dry enough is, ask.
4. Priority shelves are not for pieces that have taken you too long to make. They are for your great-aunt who suddenly showed up two weeks early and is leaving in three days and you don't know when you'll see her again.
